The OSHA required safety training was completed

Inspections

- Completed monthly fire extinguisher, playground inspections.
- Conducted audits for custodians
- Completed emergency wall packs
- Completed necessary Preventative Maintenance items

Progress on Projects

- Very productive Summer
- Making Great progress throughout the building
- Start of school planning

Comments:

We have had a great past month throughout the building. Normal summer tasks are wrapping up and we are transitioning to helping teachers and staff with final set ups.

I am continuing to communicate with committees and Admin on what the start of school will look like. We are using the information we are receiving to best set up the building for the start the school year.

Respectfully Submitted,

AJ Krogh
Facilities Manager
