This is a summary of changes only, please carefully review the coverage documents in their entirety.

Building and Personal Property Coverage

- Under the Coverage section IV. Property Not Covered, paragraph T. has been added to exclude uncovered HVAC installed after September 1st from coverage:
 - T. Heating, ventilation, and air conditioning (HVAC) units installed after September 1, 2025, are excluded from **Loss** caused by hail unless commercial hail protection/coil guards are installed. (pp. 11)
- Under the Coverage section V. Covered Causes of Loss, A. Exclusions, paragraph K. Roof Dents to Roof Covering and Rooftop Components Caused by Wind or Hail, the underlined has been added to paragraph 2.:

- Under the Coverage section V. Covered Causes of Loss, B. Limitations, Paragraph 6. Has been added:
 - 6. We will pay for Damage to heating, ventilation, and air conditioning (HVAC) units based only on the unit's actual cash value (ACV). We will compute this value by determining the actual and necessary replacement cost (with material of like kind and quality and for the same use and occupancy of the premises) at the time of and for this Damage and then subtract the depreciation damaged units. (pp. 20)
- Under Commercial Property Conditions Section, K Valuation, Section 2 has been increased from 180 days to 365 days:
 - 2. The Member must advise us in writing as soon as practicable but in no event no later than ~~180~~ 365 days from the date of **Loss** of their intent to either:

P. Roof Covering to be **Actual Cash Value** if originally installed or last fully replaced more than ~~40~~ 15 years from the date of loss. However, a TPO (Thermoplastic Polyolefin) **Roof Covering** to be Actual Cash Value if originally installed or last fully replaced more than 10 years from the date of loss. The Member bears the burden of proving the age of the **Roof Covering**. (pp. 27)

Why PCAT

Mission

PCAT was created to provide Member districts with a strategy to achieve the lowest long-term cost for property and casualty coverage via multi-year membership, rate and coverage stability, proactive loss prevention, and cash dividends.

Strength

PCAT provides multi-year risk management solutions for over 160 Texas school districts. With over \$96 Million in annual Member contributions, PCAT is the largest school risk program in the country devoted exclusively to property and casualty exposures.

Governance

PCAT is a Member owned-and-governed program. Member districts elect a five-member board of their peers to provide program governance ensuring the program is consistently aligned with the best interests of Member districts.

Non-Profit

PCAT's non-profit status ensures that any program funds not necessary for program operations are dispersed to Members via cash dividends. Since 2009, PCAT has returned over \$11,000,000 in cash dividends to Texas classrooms.

Interlocal

Formed under the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, the PCAT Interlocal Agreement enables Members to benefit from cost-saving multi-year agreements while meeting Texas Education Code section 44.031 Purchasing Contracts requirements.

1. PCAT and **Uvalde CISD** (Member) agree that Member will be a PCAT Member for the 2025-2026 through the 2027-2028 Participation Period. The rates in effect for each Participation Period will be applied to any changes in exposure during each Participation Period, and these rates will be the basis for determining the Contributions due PCAT for each period. Member agrees to an annual rate adjustment, up or down, beginning 9/1/2026 that will reflect the actual percentage change in total PCAT funding rates, defined as the change in rates to fund for reinsurance and pool retained losses. A certified document of these changes will be provided by PCAT to the Member. Wind and hail deductible may or may not change based strictly on reinsurance requirements.
2. This Interlocal Addendum along with the most recently signed Interlocal Agreement shall represent the entire agreement and may not be amended or altered without the written consent of both parties.
3. If Member terminates this Addendum prior to 8/31/2028, a short-term cancellation penalty of twenty percent (20%) of Annualized Contributions for the 2025-2026 Participation Period will be due from Member and payable to PCAT within 30 days after notice of termination is received.
