

Medford Public School
ISD #763

Providing quality education while preparing our children and community for the future

School Board Agenda Item

Meeting Date: April 20, 2015

Topic: Land Sale

Place on Agenda: Other Action

Presenter: Rich Dahman

Background:

In order for us to sell the 16.09 acres at the site of our old football field, the Medford School Board needs to approve the potential sale, by verifying that the school district does not have an educational need for the land. Currently, there is no foreseeable educational need for this land.

Recommendation:

To approve the potential sale of these 16.09 acres, as there is no current or foreseeable educational use to this land.

Alternative:

Keep the land, in case an educational need for the land arises in the future.
