RE: Permission to Purchase School Buses
DATE: November 7, 2017

Please request that the Board acknowledge and agree to purchase seven (7) school buses as identified on the Mississippi State Approved List of Buses, 2019 model 77 passenger buses. The cost is \$86,500 per bus with air condition. The total cost for these seven buses will be \$605,500. This will be the last phase of the bond money to be used to purchase buses.

The purchase order will only be sent after the Board gives permission to purchase, after the Superintendent determines that we are ready to buy, and after all documents are completed with the State Transportation Department.
