Mr. Arrellano stated that he had a pressing personal matter that he needs to get to so he would have to leave the meeting at this time.

Mr. Arrellano departed the meeting at 8:45 PM.

Mr. Sanchez, Legal Counsel, stated: The Open Meetings Act requires that in order for the Board to establish quorum you must have 4 Trustees physically present, virtual attendees do not count towards the quorum. You lack a quorum to proceed.

Mr. Rodriguez stated: So the next course of action here, so we don't have a quorum to adjourn the meeting.

Mr. Sanchez stated: That's correct.

Mr. Rodriguez stated: Correct, right? So, before I do that I am going to recognize myself for 3 minutes without objection here. So, it's not coincidental people, ok, that this happens at the time that the item comes up to address some needs that these phenomenal people have here today and now. This is orchestrated and it's a damn shame. It's a crying damn shame that these people want to play these political games at the expense of what? At the expense of what? At the expense of the needs of these phenomenal staff and kids and community need. Those of you who are participating in this should be ashamed of yourself. I have asked Mr. Arrellano for his resignation. I am asking for Mrs. Prado's resignation now. I am asking for Ms. Ibarra's resignation now because

Ms. Ibarra stated: You are out of line Mr. Rodriguez.

Mr. Rodriguez stated: You have not been recognized. If you interrupt again, I will disconnect you from the meeting. You are not recognized Ms. Ibarra.

Mr. Ibarra stated: Go ahead, go ahead and act selfish

Mr. Rodriguez stated: This is, talk about selfish, ok, it's not coincidental that these people play these games when we know what the next items that are coming up. It's orchestrated and it's a crying damn shame that these are the political games that these people continue to play at the expense of these kids and to do what? To do what? Deny resources, specifically deny resources to West Campus High School. I remember campaigning, being driven around by Mr. and Mrs. Prado, them championing West Campus High School, suddenly that's changed; Mr. Arrellano at one-point championing West Campus High School, Ms. Ibarra, my colleagues up here. But because we don't play the political games suddenly let's take it out on the kids at West Campus High School. Why? Because they think they're gonna affect me. You're not affecting me. You're affecting my kids that attend that campus. You're affecting the ability of that leadership team to meet the needs of those students. But the travesty here, that you should all be ashamed of, is you're denying the needs of these young students, that all of you championed at one point. But because Mr. Rodriguez refuses to play political games, will not bend, will not compromise his integrity for anyone under any circumstance. So talk about being selfish. I think I've been everything but selfless, along with my colleagues up here. So this is, when you guys leave here tonight, this is orchestrated, ok? So they, this is why it's finally added on the agenda because I put it on there when there was opportunity since last year of October to put this thing on there for consideration, but they didn't want to go on the record. And tonight they don't want to go on the record still. Vote no. Come back and vote no. Go on the record and vote no. Don't abstain. Don't orchestrate these little games where you break up a quorum. Have the guts to sit here and vote no in front of these kids. Have vote have the guts to vote no to the 78242 community that at one at one point we had Mrs. Prado going to court to fight for them to keep them open. Build it and they will come. Mr. Arrellano, championing, but because Mr. Rodriguez will not bend, will not compromise his integrity. But you know what? You know what's gonna happen? We're gonna continue to do what we do with Mrs. Cardenas, with Coach Gonzales. You know what we're gonna do? We are gonna strap it on and we're gonna line up and we're gonna compete. If you're gonna make us compete with scraps, then that's what we're gonna do, because you're not gonna break us. You're not gonna break me. So continue to play these political games and I hope the agency is watching. I hope Dr. Saavedra takes really close and careful notes about what's happening here. It's not coincidental. It's a damn shame and a travesty and all of you should resign because you're not here for kids and I'm not here to pacify adults.

Ms. Ibarra stated: Oh we're here for kids not your, you're just focusing on different things and not on kid's outcomes.

Mr. Rodriguez stated: Disconnect, can you disconnect her? I told her the next time that she speaks when she is not recognized she would be removed from the meeting.

Ms. Ibarra stated: Go ahead Mr. Rodriguez and TEA will see it.

Mr. Rodriguez stated: Absolutely, absolutely they will

Ms. Ibarra stated: How you act, how you act as a Board President

Mr. Rodriguez stated: Can you please disconnect her from the meeting?

Ms. Ibarra stated: Go on ahead, make yourself look bad.

Mr. Rodriguez stated: Thank you. I'm speaking the truth.

*Ms. Ibarra was disconnected from the virtual Google Meet per the Board President's directive.*

Mr. Rodriguez stated: But it's not over. The intent has always been let's get Mr. Rodriguez to fold and roll over. It hasn't happened and it's not gonna happen. You know

who I'm talking to, because he's been heard in that room tonight. You know who I'm talking to. Goodnight everybody.
