

**BOND UPDATE**

**POLICY ISSUE / SITUATION:**

The School Board has requested staff to develop a bond program for a potential May 2014 bond measure election.

**BACKGROUND INFORMATION:**

Work continues to progress on the development of a bond program for School Board consideration. The Bond Community Involvement Committee has completed four of the scheduled five meetings. One of two planned open house meetings has been conducted. The final Bond Community Involvement Committee meeting will be on December 11, which will result in a recommendation for the Superintendent to consider.

A report on the progress of these efforts will be provided during the business meeting.

**RECOMMENDATION:**

None. Provided for information.
