Re: Recommendation to hire Megan Rynne-Tack as a paraprofessional for the 2025-26 School Year

To support our students with IEPs, we are excited to welcome a new paraprofessional to our team: Megan Tack. Megan has more than a decade of experience as a teacher's assistant, working with seniors, and running an after-school program for elementary students. Megan's references praised her calm disposition, ability to work with all types of students, and the joy and happiness she carries herself with. I'm grateful to have Megan join our team!
