Re: Garfield Renovation Bids Fall 2017 - 2013 Bond

We would like to discuss the bid responses received for the construction project at Garfield Community School during the next Building and Site Committee meeting on Monday, September 11, 2017.

The RFB for the construction project at Garfield was made available on August 3, 2017. The bid responses were due on August 25, 2017. We received approximately 70 responses and the Bond Team has reviewed the information and interviewed the bidders. The process for evaluation will be in accordance with the criteria that were established previously.

On Monday, September 11, 2017, at the Building and Site Committee meeting, Plante Moran CRESA will present an in-depth overview of the results of the bids and evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors for the construction project at Garfield.

As always, please let me know if there are any additional questions.
