LISLE HIGH SCHOOL

Board of Education Meeting - March 23, 2026

Subject: State Championship DECA Team and Chapter Recognition

Presenter: Eric Martzolf, Principal, Lisle High School

Overview: It is our honor this evening to acknowledge the outstanding accomplishments of the Lisle High School DECA Chapter at the recent State Career Development Conference. Our student-leaders competed in a rigorous field of over 2,500 competitors from 80+ schools across the state, with every Lisle participant earning individual awards and scoring within the top 15% of their respective events.

We are especially proud to recognize **Alaina S** and **Jennifer D**, who took First Place Overall in the Marketing Management Team Decision Making event. By earning the State Championship, Alaina and Jennifer have secured their spot to represent Illinois at the DECA International Career Development Conference in Atlanta, Georgia, at the end of April, where they will compete against the top business students from around the world.

In addition to this individual success, the Lisle DECA Chapter reached significant milestones as a whole:

- State Qualifiers: Congratulations to Kaiden J, Ryan C, Lily K, Angie E, Alaina S, and Jennifer D for their elite performance.
- Chapter Excellence: Lisle DECA was recognized as a Super Star Chapter for its leadership and engagement.

Lisle High School is extremely proud of these students for their dedication to professional excellence and for representing our district so well on the State stage. Congratulations!
