 Title: Superintendent

Subject: Wage Modification

Description: John Salois will be moving from the high school principal position to the HR Director position. He is going from a 215 day contract with a daily rate of pay of \$412.72 which was \$88,734.00. (which if he continued at that rate would be \$107,000.00).

I am asking the board to approve a decrease in his daily rate to \$376.92 x 260 contract which is an additional 45 days = \$98,000.00. For the remainder of 2018-2019 it will be prorated for 127 days to June 30, 2018. The prorated amount for 127 days is \$47,869.00. (his prorated principal amount for the remainder of the year would have been \$48,700.52 for 118 days). Contract will include 10 days of school related leave for continued education.

Financial Impact: -\$169.00
