Re: Budget Update

I would like to update the Board of Education at the August 17, 2020 Finance Committee meeting on the additional information we have received related to the 2019-2020 State Aid allocation. We have not received any additional information at this time on the 2020-2021 State Aid allocation, but if information is received before the meeting I will update the Board on the 2020-2021 budget as well. Please include this item on the agenda. Thank you.
