Re: Comptroller's 2014 Property Value Study

Dear Mr. Price:

On January 30, 2015, the State Comptroller released the preliminary findings of the 2014 Property Value Study. I am pleased to inform you that the Comptroller has accepted your district's local taxable value as submitted by your appraisal district. That means an administrative appeal will not be necessary this year and your local taxable value will be certified to TEA for state funding purposes for the 2015-2016 school year.

If you have any questions, or desire additional information about the 2014 study, please don't hesitate to contact me at (800) 285-4789.

Sincerely,

Doug W. Ray
