

Homedale Elementary School Memo

To: Homedale Board of Trustees, Superintendent Rob Sauer
From: Terri Vasquez, Principal
Date: August 12, 2019
Re: Report to Board of Trustees

REGISTRATION: After two days of registration plus the first few days this past week, we have enrolled 54 new students in grades K-4. New-to-the-district and Kindergarten students are continuing to trickle in. We will see more the first day of school and after Labor Day.

MEET THE TEACHER: Open House will be held on Thursday, August 15th. Students will bring their supplies to put away and the teacher will share the new handbook, as well as expectations and procedures for the classroom, grade level, and school. PTO will be serving refreshments to welcome parents and students.

HES FACILITY: The elementary received several new acoustic panels this summer. Kage Hall began the panels as his senior project, and Corey Romriell took over the project for his Eagle Scout. The panels were built and hung with help from the HHS football team, Tates Rents, Corey's extended family, and people from the church and community. What a difference! Thanks, Corey and friends!

Agripina Vega Ayala and Martha Alamilla have our building looking very nice. Dan, Humberto, and Danny worked hard on the elementary maintenance list.

PBIS: The Elementary PBIS Leadership Team has had a great summer of training. They have put in many hours of work to create procedures for Tier II and have updated the handbook, posters, information packets, and clipboards for every elementary staff member. We are all looking forward to another exciting year with positive results!
