#### School Climate & Connectedness Survey

The Cordova School District last participated in the School Climate & Connectedness Survey in 2015. This year 146 students, 45 families and 21 Staff participated in the survey. Results will be available to pull and put into Powerpoint presentations.

#### Other Concers/Comments

- Contact the legislature regarding the ferry situation. (suggested by a Board Member and other attendees)
- Signing out of classrooms – starting today, students will be required to sign out of class for bathroom breaks and to go to the office. This change will hopefully curb vandalism and make it easier to track where students are at all times.
- A Board Member asked about security cameras in the school. One is being tested at this time and one company is being evaluated for outdoor monitoring at Mt. Eccles playground where vandalism has occurred.
- Lunch Menu – parents and students would like to have the sandwich of the week listed on the CHS menu again.

The next meeting will be March 19<sup>th</sup> at 5 pm.

End at 6:01pm
