The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a

person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

School Board

Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(10), *domestic violence* as defined in 34 U.S.C. §12291(a)(8), or *stalking* as defined in 34 U.S.C. §12291(a)(30).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence*

Prohibited; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Students

Nonpublic School Students, Including Parochial and Home-Schooled Students

Part-Time Attendance

The District accepts nonpublic school students, including parochial and home-schooled students, who live within the District for part-time attendance in the District's regular education program on a space-available basis. Requests for part-time attendance must be submitted to the Building Principal of the school in the school attendance area where the student resides. All requests for attendance in the following school year must be submitted before May 1.

A student accepted for partial enrollment must comply with all discipline and attendance requirements established by the school. He or she may participate in any co-curricular activity associated with a District class in which he or she is enrolled. The parent(s)/guardian(s) of a student accepted for partial enrollment must pay all fees, pro-rated on the basis of a percentage of full-time fees. Transportation to and/or from school is provided on regular bus routes to or from a point on the route nearest or most easily accessible to the nonpublic school or student's home. This transportation shall be on the same basis as the District provides transportation for its full-time students. Transportation on other than established bus routes is the responsibility of the parent(s)/guardian(s).

Students with a Disability

The District accepts for part-time attendance those children for whom it has been determined that special education services are needed, are enrolled in nonpublic schools, and otherwise qualify for enrollment in the District. Requests must be submitted by the student's parent/guardian. Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by State law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's Individualized Educational Program on the basis of the child's disabling condition or as the special education program location may require.

Extracurricular Activities, Including Interscholastic Competition

A nonpublic school student is eligible to participate in: (1) interscholastic competition, provided his or her participation adheres to the regulations established by any association in which the School District maintains a membership, and (2) non-athletic extracurricular activities, provided the student attends a District school for at least one-half of the regular school day, excluding lunch. A nonpublic student who participates in an extracurricular activity is subject to all policies, regulations, and rules that are applicable to other participants in the activity.

Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Illinois State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have academic credits recognized by the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Notwithstanding the above, recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be

made according to School Board policy 7:30, *Student Assignment and Intra-District Transfer*, as well as administrative procedures implementing this policy.

Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
 6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
 7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
 8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
 9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
 10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not

- include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
11. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
 12. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
 13. Entering school property or a school facility without proper authorization.
 14. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
 15. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
 16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
 17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
 18. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
 19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
 20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
 21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. *Corporal punishment* is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, State Board of Education rules (23 Ill.Admin.Code §§ 1.280, 1.285), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any *firearm* as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. Dept. of State Police (ISP), and any involved student's parent/guardian. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty

of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to ten consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of ten school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

Student Records

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. However, the District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the student's parent/guardian. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Use of Educational Technologies; Student Data Privacy and Security

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria.

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff.

Definitions

Covered information means personally identifiable information (PII) or information linked to PII in any media or format that is not publicly available and is any of the following: (1) created by or provided to an operator by a student or the student's parent/guardian in the course of the student's or parent/guardian's use of the operator's site, service or application; (2) created by or provided to an operator by an employee or agent of the District; or (3) gathered by an operator through the operation of its site, service, or application.

Operators are entities (such as educational technology vendors) that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes.

Breach means the unauthorized acquisition of computerized data that compromises the security, confidentiality or integrity of covered information maintained by an operator or the District.

Operator Contracts

The Superintendent or designee designates which District employees are authorized to enter into written agreements with operators for those contracts that do not require separate Board approval. Contracts between the Board and operators shall be entered into in accordance with State law and Board policy 4:60, *Purchases and Contracts*, and shall include any specific provisions required by State law.

Security Standards

The Superintendent or designee shall ensure the District implements and maintains reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect covered information from unauthorized access, destruction, use, modification, or disclosure. In the event the District receives notice from an operator of a breach or has determined a breach has occurred, the Superintendent or designee shall also ensure that the District provides any breach notifications required by State law.
