Custodial/Maintenance Report

August 2016

Training Conducted

The OSHA required safety training on Compressed Gas Safety was conducted with all Dashir employees on July 28, 2016.

Projects Progress

- Completed the milling and placing of the new asphalt in the parking lot. The next steps will be filling cracks with rubber sealer, applying black seal coat, then painting new parking lines.
- Completed the ground work on the playground addition; play equipment should arrive this week with the installers coming a few weeks later.
- We have not yet received the lockers for the locker project.
- The new sod in the front and in back playground area is doing well.
- Classroom cleaning and floor waxing is on schedule.
- Began security upgrades to the front doors.
- Straightened the outside basketball hoops.
- Began inside painting of classrooms and small gym.
