Consolidated Federal and State Grants Application

The district's submission of the Consolidated Federal and State Grant Application (CFSGA) was due June 30. Due to SDE staff turnover we do not have full preliminary approval yet. They are currently reviewing the plan and I anticipate approval within the next couple weeks.

This application outlines our planned use of federal and state dollars for the coming year. A large portion of each program is dedicated to staffing classified and certified staff within the three buildings.

Our preliminary grant awards:

Title I-A, Improving Basic Programs - \$296,576

Title I-C, Education of Migratory Children- \$89,435

Title II-A, Supporting Effective Instruction - \$44,025

Title III-A, English Language Acquisition - \$18,241

State English Learner Program - \$40,258

Title IV-A Student Support and Academic Enrichment- \$26,940

Title V-B Rural Education Program- \$22,248

Final figures are typically available in October.

We have not seen any change in our State English Learner or Title III funds yet. These are still last year's amounts. With a new coordinator over these programs at the State Department we have seen a delay in receiving our estimated allocation amounts.
