**Recommendation(s):**

Approval of the West Allis-West Milwaukee School District’s new strategic plan: 2025-2030 Strategic Plan: Destination West. The strategic plan was presented to the Board of Education on September 8, 2025, as part of a workshop.

**Purpose:**

The West Allis-West Milwaukee School District’s 2025–2030 Strategic Plan: Destination West serves as a thoroughly vetted roadmap for continuous improvement, developed with extensive input from staff, students, families, and community members. Aligned with the district’s mission and vision, the plan outlines clear year-by-year focus areas that build on one another to achieve long-term goals—including the “Portrait of a Graduate”—while also setting the stage for the critical work ahead in future years and measuring key performance indicators (KPIs) along the way.
