#### 2411 - **SCHOOL COUNSELING AND ACADEMIC AND CAREER PLANNING**

The Board requires that a planned program of school counseling be an integral part of the educational program of the District. The plan shall be developed by licensed school counselors in collaboration with student services staff, teachers, parents, and community health and human service professionals. The developed plan will be adopted by the Board and maintained by the District. Such a program shall be available to all students without regard to race, color, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), physical or mental, emotional, or learning disability ("Protected Classes").

This plan should be developmentally appropriate and:

- A. enable counselors to effectively communicate with students who have limited English proficiency and/or are sensory impaired;
- B. assist students in achieving their optimum growth;
- C. enable students to draw the greatest benefit from the offerings of the instructional program of the schools;
- D. help integrate all the student's experience so that s/he can better relate school activity to life outside the school;
- E. help students learn to make their own decisions and solve problems independently;

Academic and career planning services, including individualized support and access to software tools and staff assistance, shall be provided to students in grades 6 to 12. The mission of academic and career planning is to provide a comprehensive plan, which will be developed and maintained by a student, that includes the student's academic, career, personal, and social goals and the means by which the student will achieve those goals both before and after high school graduation. [The District shall inform parents in each school year about what academic and career planning services their child receives.](#)

The District Administrator shall implement the school program which carries out these purposes and:

- A. involves appropriate staff members at every level;
- B. honors the individuality of each student;
- C. is integrated with the total educational program;
- D. is coordinated with available resources of the community;

E. cooperates with parents and recognizes their concern and ideas for the development of their children.
