ACTION

Background Information

Each year, the Texas Department of Agriculture requires school districts participating in the National School Lunch and School Breakfast Programs to establish adult meal prices using the Adult Meal Calculator Worksheet. The worksheet ensures that adult meal prices fully cover the cost of the meal and are not subsidized by federal child nutrition funds.

Based on the required calculations, the recommended minimum adult meal prices for the 2026–2027 school year are:

- **Adult Breakfast:** \$1.75
- **Adult Lunch:** \$5.50
