

**LEVELLAND INDEPENDENT SCHOOL DISTRICT
BOARD OF EDUCATION**

Date: August 14, 2026 Presented By: Dr. Birdwell
Subject: TSI PREP MATH Related Page(s) Attached

ACTION

Background Information

With the discontinuation of College Bridge as an approved pathway for demonstrating college readiness on the Mathematics portion of the Texas Success Initiative (TSI) Assessment, Levelland ISD must establish a local course to provide students with targeted instruction and preparation for the TSI Mathematics Assessment.

The proposed TSI Prep Math course will equip students with the mathematical knowledge and skills needed to successfully meet TSI college readiness requirements while supporting their transition to postsecondary education. Establishing this local course ensures students continue to have access to structured preparation aligned with state expectations.

Administration Recommendation

Administration recommends approval of the **TSI Prep Math** local credit course beginning with the 2026–2027 school year.

Board Action Requirement

"I make a motion to approve to approve the local course of TSI PREP MATH as presented"
