RE: Request for Purchase - John Deere 1575 Terrain Cut Front Mower  
DATE: August 6th, 2014

Respectfully, requesting approval from Geneva CUSD #304 School Board to purchase a John Deere 1575 Terrain Cut Front Mower. The quote for one new John Deere 1575 Terrain Cut Front Mower with options has a purchase price of \$34,809.41. The options are a 72 inch side discharge mower deck and 47 inch heavy-duty two stage snow blower, thus allowing the unit to be utilized all year. The quote also has trade-in values for two of the District's older John Deere mowers totaling \$2,000. This will start the process of annually replacing one of five 20 year old mowers.

An analysis was conducted in July 2014 reviewing the materials and labor costs involved to maintain the District's current 20 year old John Deere F925 and John Deere F935 front mowers. The amount paid over the past year in upkeep for these two units totaled \$7,085 and was reviewed by the Facility Task Force committee.

The attached quote from the John Deere AHW office utilizes the discount provided by the Illinois-Rock Island County Grounds Care Equipment State Contract (#14-04-00777).
