RE: Proposed Revision: TPSD Policy ID – School Day

Attached for review and consideration is a proposed revision to TPSD Policy ID – School Day. Policy ID has been updated to provide the school beginning, dismissal, and reduced day dismissal times to include the district's new programs. Also, Policy ID has been checked to assure compliance with the MDE required total of 198 minutes of actual instruction or testing that must be provided on reduced school days. Lastly, Policy ID has been revised to include language on administrative procedure number 1 that was inadvertently dropped in the 10/12/2010 version of the policy.
