FISCAL NOTE:	General funds

Background Information:

- TEA requires approval by the Board of Trustees of all budget amendments between functions.

Administrative Considerations:

- The June budget amendments reflect adjustments to the adopted 2024-25 budget for items that were unknown at the time the budget was prepared or to ensure funds are available for end-of-year needs.
- All other budget amendments propose to move **existing** funds between budgetary functions. Notable among these budget amendments is an amendment to realign the functional budget and the TRS on Behalf budget in accordance with the TEA's end-of-year reporting requirements. The TEA requires that no functional budget in the general fund may be exceeded at year end. This budget amendment is the Finance department's attempt to estimate the ending position of each function and then reallocate funds between functions to ensure no function will be exceeded.

Communication Deployment:

- Board Meeting Minutes

The administration recommends that the Board of Trustees approve the budget amendments as presented.
