Detailed Description of how this Design is Implemented

TT = Team Teaching
The continued use of team teaching (TT) and planning between certified and non certified teachers allows for instructional planning and delivery.

Regrouping strategies are used for primary language instruction, based on students' identified dominant language. Primary language instruction is provided by the Bilingual/ESL certified teachers while the non-certified teachers in Bilingual/ESL provide English instruction using sheltered instructional strategies. The design is used across the district to meet the needs of all ELLs participating in the Bilingual/ESL program. UISD continues its implementation of Language Acquisition Profiles (LAPs) to better track the levels of language acquisition using state approved assessments to analyze student progress. Each ELL in PK, Kinder, 1st and 2nd grade has a LAP form on file with the classroom teacher. This year the LAP form implementation will expand to the online version to allow all campus and district administrators timely access to each ELL's profile.

The district has taken all reasonable affirmative steps to secure teachers with teaching certificates appropriate for bilingual education instruction and has failed.

Yes

The district has affirmative hiring policies and procedures consistent with the need to serve limited English proficiency students.

Yes

No teacher having a teaching certificate appropriate for bilingual instruction or emergency credentials has been unjustifiably denied employment by the district within the past 12 months.

Yes

Describe how the proposed alternative modified bilingual education or intensive ESL program will meet the affective, linguistic, and cognitive needs of the LEP students, including how the students will be given opportunity to master the Texas Essential Knowledge and Skills (TEKS).

Only English dominant ELLs are served by non-certified teachers in Bilingual/ESL. All Spanish dominant ELLs are served by Bilingual/ESL certified teachers. All non-certified teachers continue to partner with certified teachers to plan the delivery of instruction. All teachers are trained in the implementation of the English Language Proficiency Standards (ELPS). We continue with the use of a district wide scope and sequence (with imbedded ESL activities and strategies) to ensure grade level TEKS are taught. Mastery is ensured through ongoing student evaluation, re-teaching and RTI. All elementary teachers in grades 2nd - 5th have gone through TELPAS training to assess the different proficiency levels of each student. The use of state adopted ESL materials supplement the instructional resources at each campus.
