 Re: Press Policy 1st Reading – Issue 115

The following policies have been updated and presented for the Board’s review. The Board reviews policies in two readings: the first to discuss the policies and make changes as necessary, and the second to finalize any changes and adopt new policies. The following policies are presented for the Board’s 1st reading.

The policies have been modified due to changes in the law, legal references, and a review to ensure policies are up to date.

The backup information on all changes is included as footnotes for each policy. The recommendation for each policy is listed below.

I will recommend the Board approve the policies at a future meeting.
