

Clackamas Community College

November 4th, 2014 Election

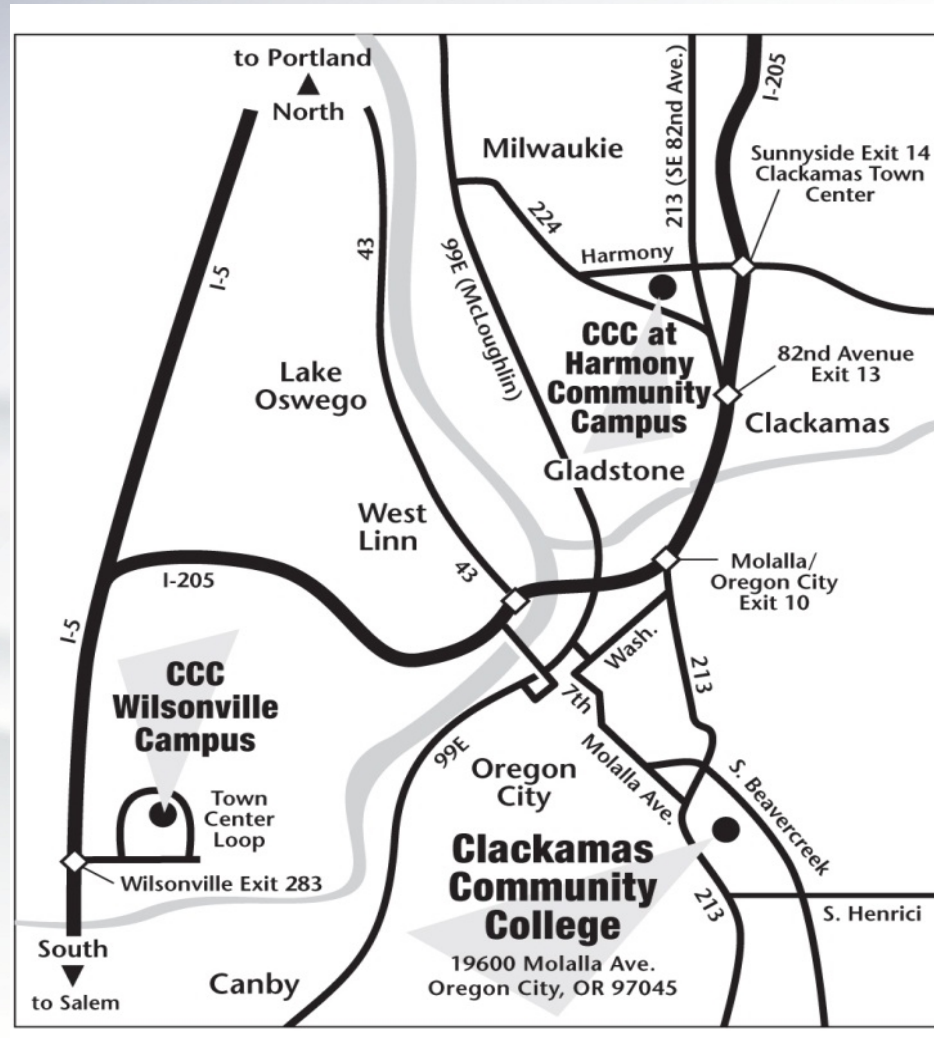

Measure 3-447

CCC Quality Education & Job Training

- ★ CCC provides affordable career technical programs, college transfer degrees and basic skills education, along with workforce and business services, job training and community education classes.

CCC Close to Home: Education & Job Training

Molalla & CCC

- ★ A total of 17% of Molalla citizens attended Clackamas Community College last academic year (2012-13)
- ★ 29% of the 2012 Molalla High School graduating class enrolled at Clackamas Community College
- ★ 10 Molalla businesses utilized the services of the Small Business Development Center in 2013

Partnership with Molalla HS

- ★ MHS students earned 1,326 total credits at CCC in 2012-13
- ★ Families saved \$104,754 total through the High School's partnership with CCC

CCC Imagines the next 50 years beginning 2016

- *Ask the Community
- *Ask the Employers
- *Conduct Facilities Condition Assessment
- *Assess our current facilities to meet community, employer and future opportunities

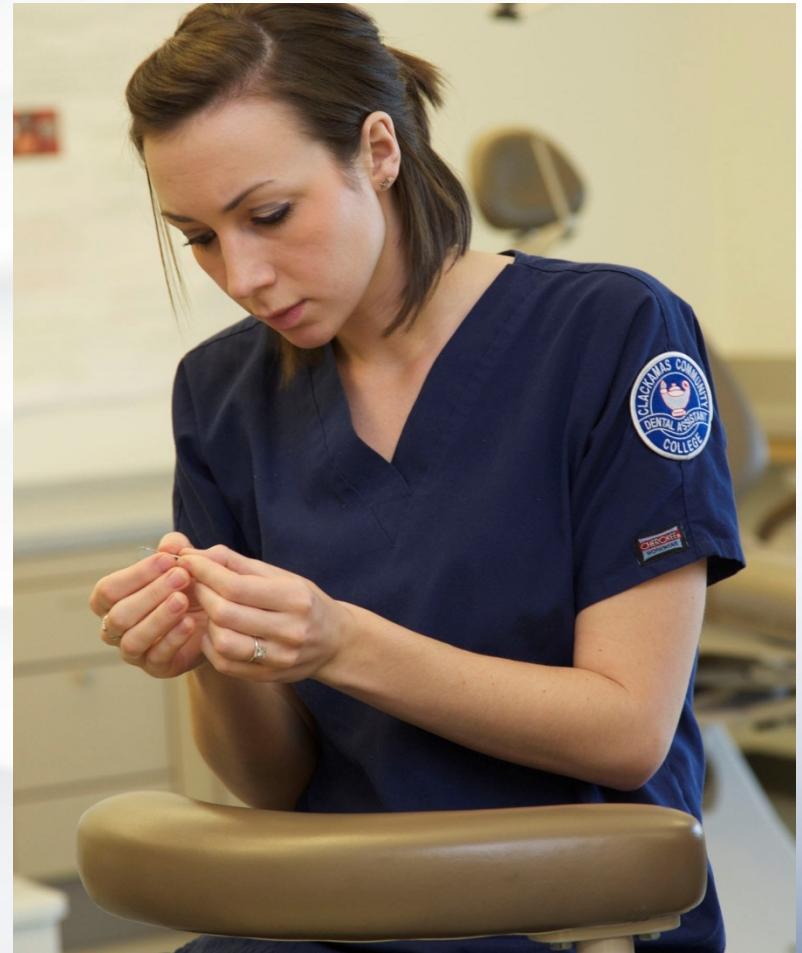

Community, Students and Employers Want

- *Degrees and certificates that lead to careers and family-wage jobs
- *Affordable education that leads to a four-year degree
- *Facilities focusing on STEM, Industrial Technical, and Workforce

CCC Responds:

- ★ Increase access to affordable education and training for family-wage jobs that are close to home
- ★ Train students in high-demand careers, such as nursing, engineering and manufacturing
- ★ Update and modernize equipment, labs and facilities so students are trained to industry standards

CCC Responds (cont.):

- ★ Continue average annual bond rate of \$0.19 per \$1,000 of assessed property value
- ★ Leverage \$16 million in state match
- ★ Invest \$40,000 in each of our school districts to strengthen equipment or technology to support learning partnerships
- ★ Construct an industrial technical learning center
- ★ Expand and modernize equipment and facilities for training in high-demand careers
- ★ Improve buildings throughout the district
- ★ Replace 61-year-old building at the Harmony Community Campus with an updated workforce development and training facility
