

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

---

**DATE OF MEETING: December 9, 2014**

**TITLE: Approval of a New Intervention Course at CDO**

---

**BACKGROUND:**

This year, Canyon del Oro High School began a new program focusing on early intervention programs for students. In working through the program this first semester, it has become evident that adding a new course name will offer a more accurate reflection of the content being covered. Consequently, we are asking that the Board approve a course called English Lab effective January 2015. Since we already have an approved course called Math Lab listed in Tyler, adding the English Lab will enable us to distinguish the specific content being addressed.

---

**RECOMMENDATION:**

The administration recommends the Governing Board approve this new course.
