Dear Stan Osborne,

The TASB Risk Management Fund is pleased to provide the following proposal for renewing coverage with the Fund for the coming year. The proposal reflects the Fund's ongoing commitment to the risk-sharing partnership among its more than 1,000 members.

The Fund is the oldest and largest governmental risk pool serving Texas public schools. A 21-member board comprised of school board members, superintendents, and administrators from member districts governs the Fund. The Fund's board of trustees ensures the Fund remains financially strong and responsive to member needs. Fund programs and coverages continue to respond to the risks shared by Fund members and reflect the challenges Fund members face today.

The coverage proposal on the following pages includes terms and contribution amounts for the programs in which your organization participates. A summary of changes and updates to the Fund's Coverage Agreements is included in this proposal. You can also access coverage agreements on the Fund's website.

Please review all terms, provisions, and features of this renewal proposal. When ready, you may accept this renewal proposal by signing the Contribution & Coverage Summary (CCS) and returning it by email to me or TASBRMF@tasbrmf.org. You may also complete the electronic acceptance using the link in the renewal email sent to the designated Program Contact. All provisions and terms of this CCS, including contribution amounts, are offered by the Fund in total as indicated only; if not accepted by the member in total, please contact your underwriter for other pricing and options.

Please note that if you take no action, coverage will automatically renew under the terms of this renewal proposal. If you wish to terminate coverage, the Fund must receive written notice of termination at least 30 days prior to your renewal date. If you are unsure of your plans to renew or have questions about this renewal proposal or any aspect of your Fund membership, please contact Adrian Pena or any member of TASB's Underwriting or Marketing teams at 800.482.7276.

Thank you for your membership in the TASB Risk Management Fund and participation with all Fund members. The Fund is proud to be your partner in managing risk and serving the students and staff in your community.

Notification of Coverage Changes and Language Refinements Effective July 1, 2026

As part of the annual coverage review, the TASB Risk Management Fund (Fund) implemented the following coverage changes and language refinements ***for all renewals taking effect on or after July 1, 2026***. This document is a summary of changes and refinements only; please carefully review the full text of all Fund Coverage Agreements and any applicable Contribution and Coverage Summary (CCS).

Automobile Liability & Physical Damage Coverage Agreement

- Under Section 3.4, revised the language regarding a non-owned automobile being maintained or operated to include the term “use.”
- Under Section 3.5, expanded the definition of Covered Person to include the scenario of members loaning vehicles to other districts. This activity is allowed under Section 4, but this update provides additional clarity.
- Under Section 4, clarified the second sentence that grants liability coverage to non-owned autos
- Described in 3.4(B), which addresses leased, rented, and borrowed vehicles and (D), which addresses automobile career and technology programs.

School Liability Coverage Agreement

- Revised the Chapter 118 endorsement to state that losses under the endorsement do not erode the aggregate limit for other types of professional legal liability claims.
- Increased Chapter 118 limits to \$1,000,000 per claim and \$2,000,000 annual aggregate, with options to purchase higher limits, up to \$5,000,000, for additional contribution.
- Under the Chapter 118 Endorsement, revised the position of words for clarity.
- Renamed the Chapter 118 Endorsement to Chapter 118: Employment Practices – Student Abuse and Reporting Endorsement.

Property Coverage Agreement

- Removed the single-ply membrane sublimit and replaced it with actual cash value (ACV) valuation for single-ply membrane roofs that are over seven years old. The ACV limitation will not apply to Very Severe Hail-rated single-ply membrane roofs.
- Reduced the deductible for motor-driven equipment from the all-other-perils (AOP) deductible to \$2,500.
- Added language to the Flood Endorsement to describe how coverage applies when covered buildings are sited in Locations with more than one flood zone.
- Removed the application of the percentage deductible to covered property under \$100,000, making this property subject to the Occurrence Minimum Deductible only.
- Under Section 7, increased the base supplemental coverage limit for Extra Expense & Loss in Revenue to \$1,000,000 from \$500,000.
- Increased the base sublimit for the Flood and Earthquake Endorsements to \$5,000,000 from \$2,000,000.
- Establish a maximum Weather Perils Deductible for freeze losses. The maximum deductible would be \$1,000,000 or less depending on member size.
- Under Section 5, add language to indicate that all limitations to damage payments apply to aesthetic impairment payments as well, and that acceptance of an aesthetic impairment payment must be no later than 90 days from the determination that the loss to covered property resulted from aesthetic impairment.

- Under Section 3.4, update the definition of occurrence to improve clarity and incorporate a recommendation from the Fund's property reinsurance panel.
- Under Section 4, clarify that an increased degree of damage later discovered does not alter a previous election for payments for repairs or for ACV for the *same* property. Repair or ACV elections for unrelated damage, such as to a separate building, are not affected.

Cyber Liability & Security Coverage Agreement

- No changes.

Violent Act Coverage

- No changes.

Property Coverage Provisions

Weather Perils: Weather Perils is an Occurrence of wind, hail, convective storm, or freeze. The Weather Perils Limit and Deductible shown on this CCS will apply to Loss (including ensuing Loss) by a Weather Peril. Weather Perils does not include Named/Numbered Windstorm.

Named/Numbered Windstorm: Named/Numbered Windstorm (NWS) is an Occurrence of hurricane, typhoon, tropical cyclone, tropical storm, or tropical depression (but not other convective storms) that is designated by name or number by the National Weather Bureau, National Hurricane Center, or any recognized meteorological authority, including any related wind-driven rain, flood, tidal water or wave, storm surge, wave wash, surface water, overflow of bodies of water, or spray from any of these conditions. The NWS Limit and Deductible indicated on this CCS will apply to Loss (including ensuing Loss) by an NWS.

However, any flood-related Loss (including ensuing Loss) during an NWS Occurrence will be considered a separate Flood Occurrence with a Flood Limit as indicated on this CCS. For all other NWS Loss (including ensuing Loss) during this combined perils event, the NWS Limit indicated on this CCS will apply. Only the higher deductible of the two perils will apply during this combined perils event.

Percent Deductible/Occurrence Minimum Deductible: General. When Covered Property sustains a Loss caused by a Weather Peril or NWS, the Fund Member's deductible will be a Percent-based Deductible or an Occurrence-based Minimum Deductible. For Covered Property of \$100,000 or over, the higher deductible applies. For Covered Property under \$100,000, the Occurrence Minimum Deductible applies only.

Deductible calculation. The Percent Deductible amount will be calculated based on the designated percent, as shown on the CCS, applied to the Total Covered Value of a Loss-affected Covered Property (including Personal Property contents) in the Statement of Values schedule, which is considered a part of this CCS. This designated percent is reflected on the schedule as the deductible dollar amount listed under a Loss-affected Covered Property's deductible column.

Covered Property that does not appear on the Statement of Values schedule and sustains a Loss will be subject to the applicable deductible based on its Total Covered Value at the time of the Loss.

Multiple-Covered Property Loss. In the case of multiple \$100,000 or over Loss-affected Covered Properties, the member will incur a Percent Deductible for each property, calculated the same as one Loss-affected Covered Property only. These Percent Deductible amounts will be added to determine the Total Percent Deductible amount for comparison with the Occurrence Minimum Deductible amount. (However, for payment purposes, the Total Percent Deductible calculation below will not affect the Percent Deductible application to each Covered Property.)

To determine whether the Total Percent Deductible amount or the Occurrence Minimum Deductible amount applies when multiple Covered Properties are Loss-affected, only the actual Loss amount within each property's Percent Deductible amount will apply toward the summed Total Percent Deductible amount, which is then compared with the Occurrence Minimum Deductible amount; the higher deductible applies.

Payment obligation. For Covered Property \$100,000 or over, if the Fund has any payment obligation above the Occurrence Minimum Deductible, this payment will be based on the Loss amount for each Covered Property exceeding that property's scheduled or determined Percent Deductible amount.

For Covered Property under \$100,000, if the Fund has any payment obligation, this payment will be based on the Loss amount exceeding the Occurrence Minimum Deductible.

Occurrence Minimum Deductible—General. Regardless of the Total Percent Deductible, the amount of Loss sustained, the number of Loss-affected Covered Properties in an Occurrence, or any other factor, in no event will the member's Percent Deductible obligation (Total or individual) be less than the Occurrence-based Minimum Deductible listed on the CCS.

Location: A Location is a single street address that is the site of the Covered Property. Locations may have multiple Covered Properties, including structures.

Flood Zone Exclusions: The Fund Member's Covered Property (as defined in the Coverage Agreement) is excluded from coverage under the Flood Endorsement of the Coverage Agreement if more than 15% of the Location subject to loss is located in any Special Flood Hazard Areas (SFHA) beginning with 'A' or 'V' as identified on the most recently published pre-Loss FEMA Flood Insurance Rate Map (FIRM).

Other Limits: If more than one Per Occurrence Limit may be applicable, the Fund will determine which limit or limits will apply.

Statement of Values: The Statement of Values schedule will be provided to the Fund Member before the beginning of the Participation Period and is considered incorporated into the Agreements between the Fund and the member. The Fund Member agrees to allow the Fund to conduct property appraisals of the Fund Member's property periodically and agrees to accept values provided by the Fund. The Fund reserves the right to adjust the Fund Member's contribution for newly-constructed Buildings or Other Structures that are Covered Property and accepted within the Participation Period based on the certificate of occupancy date. The Fund reserves the right to adjust the Fund Member's contribution for newly-acquired Buildings or Other Structures that are Covered Property and acquired within the Participation Period based on the acquisition date.

Salvage: The Fund will have the right, at its discretion, to exercise rights of salvage to any damaged property paid for or replaced under the terms of this Agreement.

Single Ply Membrane: 'Single Ply Membrane' is a synthetic roofing material that includes EPDM, TPO, and PVC membranes.

Fund Member Mitigation: As indicated in the Property Coverage Agreement, including Sections 9.29 and 12.5, the Fund Member must preserve Covered Property before and after Loss, or the Fund may exclude coverage.

Fund Member Notice: As indicated in the Property Coverage Agreement, including Section 13.1, time is of the essence for the Fund Member to give notice of a claim for all Loss. Coverage is only available if the Fund Member reports all Loss within 365 days of an Occurrence.

Limit Elimination: The Fund may reduce all Property limits to zero and cease all payments (promised or otherwise) to the member for any claim under this CCS if the Fund's applicable property reinsurance coverage exhausts during the Participation Period through any property claim payment to any Fund Member.
