SUBJECT: Home & Hospital Vehicle

Currently we have two Home and Hospital teachers servicing all of our Home and Hospital students in the district. We have two vehicles these teachers use to go to the homes, libraries or other locations to meet with these students. We have used one of our vehicles, a 2013 Chevy Cruze, for 10 years. We are in need of replacing this vehicle. We have worked with purchasing and have found a 2022 Chevrolet Trax LT for \$24,284.68 + Tax/Lisc. This is an all wheel drive vehicle and would work much better for our teachers as they travel to homes—especially in our winter months. We have kept \$30,000 in our budget for many years for a vehicle replacement for our Home and Hospital teachers. This vehicle fits within our allotted budget. We would ask the board to approve this purchase.
