## News from Mr. Regal

Welcome Back Evergreen Families,

Hopefully everyone had an "SPECTACULAR" spring break and are "OUR" students are ready to finish up the school year on a positive note; academically, behaviorally, and socially. We have just over 2 months left before summer is here and still have a lot of learning to cover during this time.

I wanted to remind parents, why "Attendance Matters" with our kids:

If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers. Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade.

We have had a decline in attendance since the winter break due to sickness and we are hoping with your support that we can get "on track" until June. So, please help us educate and prepare your children for their future by making sure they are at school on a regular basis this year and in the future!!!!!!

Please continue supporting our staff, school, and your children as we finish this 2018-19 school year.....

David Regal

## Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202.**

**BEAR Program Update:** Combined, these families have read a total of 250 books with their younger brothers and sisters! These families are in the lead for our end of the year giveaways for the most books read. If you're a BEAR participant, keep reading and turn in your logs. If you need logs, let me know.
