

## **SCHOOL BOARD AND COMMITTEE GOALS 2014 – 2015**

School Board members and Supt. Jeff Rose held an all-day retreat in August where they discussed Board priorities for 2014-15. The Board has adjusted its committee structure and priorities from last year accordingly. The Board will discuss the committees and priorities in order to formalize the Board's annual goals and to provide guidance for the committees to move this work forward.

**District Goal:** All students will show continuous progress toward their personal learning goals, developed in collaboration with teachers and parents, and will be prepared for post-secondary education and career success.

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
