Re: Athletic Director Report June 2017

Homedale Board of Trustees,

What a fun year this past year has been for Homedale Athletics as a whole. We have many things to be proud of as an athletic department. As you all know our golf team finished fourth at the state tournament and were the state academic champs. Track had a fantastic showing at the state meet, with several individuals winning a state championship. Softball didn't end up like they wanted, but they essentially return most of their core players.

Summer workouts have officially started for all sports. Currently the weight room is open two times per day (7-9am & 5-7pm) to give all of our athletes the opportunity to lift. All of the coaches are signing up to be at all lifting sessions. These sessions will be Mon-Fri all summer long.

The entrance to the football stadium has been torn down and production of the new entrance has already begun. This project should be completed by the beginning of the football season.
