RESOLUTION RELATING TO GENERAL OBLIGATION SCHOOL BUILDING BONDS, SERIES 2026B; AUTHORIZING THE ISSUANCE AND SALE THEREOF, PROVIDING FOR CREDIT ENHANCEMENT WITH RESPECT THERETO, AND ESTABLISHING COMPLIANCE WITH REIMBURSEMENT BOND REGULATIONS UNDER THE INTERNAL REVENUE CODE

BE IT RESOLVED by the School Board (the Board) of Independent School District No. 279 (Osseo Area Schools), Minnesota (the District), as follows:

SECTION 1. AUTHORIZATION, ELECTION AND DISTRICT INDEBTEDNESS.

Pursuant to Minnesota Statutes, Chapter 475, the District is authorized, subject to voter approval, to issue general obligation school building bonds. This Board hereby determines that it is necessary and desirable and in the best interest of the District to issue its general obligation school building bonds in the approximate principal amount of \$63,225,000 (the Bonds) to finance the acquisition and betterment of school sites and facilities (the Project), including those approved by the electors at a special election held on November 7, 2023.

The Bonds will be designated as the District's "General Obligation School Building Bonds, Series 2026B" or may (i) have such other title or series designation, and (ii) be issued in combination with any other bond authorizations of the District; if deemed appropriate by the District in consultation with its municipal advisor and bond counsel.

SECTION 2. SALE. The District has retained Ehlers & Associates, Inc., in Minneapolis, Minnesota (Ehlers), as its independent municipal advisor in connection with the sale of the Bonds. Ehlers is authorized to solicit proposals for the purchase of the Bonds in accordance with Minnesota Statutes, Section 475.60, subdivision 2, paragraph (9). The Board shall meet at the time and place specified in the Official Statement for the Bonds to receive and consider such proposals for the purchase of the Bonds.

SECTION 3. OFFICIAL STATEMENT; PROPOSALS. Ehlers is authorized to prepare and distribute an Official Statement for the Bonds and to open, read, and tabulate the proposals for presentation to the Board.

SECTION 4. STATE CREDIT ENHANCEMENT PROGRAM. (a) The District hereby covenants and obligates itself to notify the Commissioner of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee payment of the principal and interest on the Bonds when due. The District further covenants to deposit with the Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner that it will be unable to make all or a portion of that payment. The Registrar for the Bonds is authorized and directed to notify the Commissioner if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment

on deposit with the Registrar. The District understands that as a result of its covenant to be bound by the provision of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now and hereafter established by the Departments of Management and Budget and Education of the State of Minnesota pursuant to Minnesota Statutes, Section 126C.55, subdivision 2(c) and otherwise to take such actions as necessary to comply with that section. The chair, clerk, superintendent or business manager is authorized to execute any applicable Minnesota Department of Education forms.

SECTION 5. REIMBURSEMENT. (a) (i) The Internal Revenue Service has issued Section 1.150-2 of the Income Tax Regulations (the Regulations) dealing with the issuance of tax-exempt obligations all or a portion of the proceeds of which are to be used to reimburse the District for Project expenditures made by the District prior to the date of issuance (the Reimbursement Obligations).

(ii) The Regulations generally require that the District make a declaration of its official intent to reimburse itself for such prior expenditures out of the proceeds of a subsequently issued series of tax-exempt obligations within 60 days after payment of the expenditures, that such obligations be issued and the reimbursement allocation be made from the proceeds of such obligations within the reimbursement period (as defined in the Regulations), and that the expenditures reimbursed be capital expenditures or costs of issuance of the obligations.

(iii) The District desires to comply with requirements of the Regulations with respect to the Project.

(b) (i) The District proposes to undertake the Project and to make original expenditures with respect thereto prior to the issuance of Reimbursement Obligations, and reasonably expects to issue Reimbursement Obligations for such project in the maximum principal amounts shown below:

<u>Project</u>	<u>Maximum Amount of Obligations Expected to be Issued for the Project</u>
Acquisition and betterment of school sites and facilities including, but not limited to, safety and security improvements at all schools; career and technical education space renovations at all high schools; science, technology, engineering, arts and math space renovations at all magnet schools; classroom renovations for special education, gifted/talented and multilingual learners, at all schools; new furniture and flexible learning spaces added throughout all schools; library media center renovations at all schools; outdoor classrooms added to all elementary and middle schools currently without;	\$ 63,225,000

construction of a new elementary school, and an addition onto Maple Grove Senior High School, to address student population growth; and the repurposing of an elementary school for Community Education programming from early childhood through adult, and various deferred capital maintenance projects.

(ii) Other than (i) de minimis amounts permitted to be reimbursed pursuant to Section 1.150-2(f)(1) of the Regulations or (ii) expenditures constituting preliminary expenditures as defined in Section 1.150-2(f)(2) of the Regulations, the District will not seek reimbursement for any original expenditures with respect to the foregoing Project paid more than 60 days prior to the date of adoption of this resolution. All original expenditures for which reimbursement is sought will be capital expenditures or costs of issuance of the Reimbursement Obligations.

(c) As of the date hereof, there are no District funds reserved, pledged, allocated on a long term basis or otherwise set aside (or reasonably expected to be reserved, pledged, allocated on a long term basis or otherwise set aside) to provide permanent financing for the original expenditures related to the Project other than pursuant to the issuance of the Reimbursement Obligations. Consequently, it is not expected that the issuance of the Reimbursement Obligations will result in the creation of any replacement proceeds.

(d) The District's business manager shall be responsible for making the "reimbursement allocations" described in the Regulations, being generally the transfer of the appropriate amount of proceeds of the Reimbursement Obligations to reimburse the source of temporary financing used by the District to make payment of the original expenditures relating to the Project. Each reimbursement allocation shall be made not later than (i) eighteen (18) months after the date of the original expenditure or (ii) eighteen (18) months after the date the Project is placed in service or abandoned (but in no event later than three (3) years after the original expenditure is paid) and shall be evidenced by an entry on the official books and records of the District maintained for the Reimbursement Obligations and shall specifically identify the original expenditures being reimbursed.
