

# Secondary School Board Report

## October 2024

1. SchoolLinks
  - a. SchoolLinks is an online program that we are using to help students track their achievements and plan for life after high school.
  - b. This year, for the first time, our seniors will be registering for college and applying for scholarships all through this program. The feedback from students has been nothing but positive!!
  - c. Nickie Doyle and Brianna Erickson, our Sourcewell Career Consultant, have been integral in getting this program up and running. Also, thank you to the technology department for their behind-the-scenes work getting all of the “stuff” connected and working.
2. Homecoming Week
  - a. Thank you to Marcy Schubert and student council for a fun and successful homecoming week. More students were involved than ever before and it went really well overall!
  - b. Thank you to Project Unite and ALL of the community members who helped make this parade the best one yet!
3. Link Crew Parent Education Night
  - a. A huge shout out to Andrew Dirks and Megan Syrstad who hosted a parent education night. This was a great way to connect with parents and help support them at home.
1. ACT Profile Report Class of 2025
  - a. The average composite score was 23.3, above last year's state average of 20.8 and the national average of 19.5. (No current state average available yet)
  - b. Our highest composite score was in Reading with a 24
  - c. We have been at or above the state average for the past 6 years
