

DISCUSSION OF TASB BOARD POLICY UPDATE 122

CQB(LOCAL): TECHNOLOGY RESOURCES – CYBERSECURITY

Based on the new notification requirements imposed by SB 271, the security breach notification provisions have been revised to include security incidents.

CSA(LOCAL): FACILITY STANDARDS - SAFETY AND SECURITY

This new local policy on facility safety and security includes recommended provisions addressing audits of building access control to comply with the commissioner's new school safety rules for facilities, effective May 31, 2023.

DC(LOCAL): EMPLOYMENT PRACTICES

HB 1789 creates a nepotism exception for hiring bus drivers, regardless of county population, if the board approves employment. We recommend adding a note referring to DBE(LEGAL) (concerning nepotism) to this policy that delegates hiring authority for noncontractual employees to the superintendent as a reminder of the special requirements related to this nepotism exception for bus drivers.

EHB(LOCAL): CURRICULUM DESIGN - SPECIAL PROGRAMS

New provisions are recommended to comply with HB 3928, which requires the board to adopt and implement a policy requiring the district to comply with all rules and standards adopted by the SBOE and guidance published by the commissioner to implement the program to test students for dyslexia and related disorders.

EHBC(LOCAL): SPECIAL PROGRAMS - COMPENSATORY SERVICES AND INTENSIVE PROGRAMS

This local policy containing provisions on accelerated instruction has been moved to EHBCA(LOCAL) (see below) to align with the legal policy created at that code in Update 121.

EHBCA(LOCAL): COMPENSATORY SERVICES AND INTENSIVE PROGRAMS - ACCELERATED INSTRUCTION

This local policy has been recoded from EHBC(LOCAL) to align with EHBCA(LEGAL) created in Update 121. HB 1416 made several changes to the requirements for accelerated instruction. Recommended changes to this local policy reflect that a parent's ability to request a particular teacher after a student fails to perform satisfactorily on a state assessment is no longer limited to students in grades 3, 5, and 8. Other changes delete references to the accelerated learning committee, which has been eliminated. A district now must develop an accelerated learning plan for certain students, and parents still may file a complaint about the plan in accordance with FNG.

FEA(LOCAL): ATTENDANCE - COMPULSORY ATTENDANCE

SB 68 allows a district to excuse a student from attending school for career investigation days to visit a professional's workplace during the student's junior and senior years to determine the student's interest in a career in the professional's field. Districts that choose to excuse students for absences to visit a professional's workplace to explore a career in that professional's field must adopt a policy to determine when an absence will be excused for this purpose and a procedure to verify the visit. A new provision offered for the board's consideration at Career Investigation permits such absences for the maximum amount allowed in law — up to two days during a student's junior year and up to two days during the student's senior year. Contact your policy consultant for revisions if the district will allow fewer excused absences or will not allow any excused absences for this purpose.

FFAC(LOCAL): WELLNESS AND HEALTH SERVICES - MEDICAL TREATMENT

Recommended revisions to the provisions on opioid antagonists are based on SB 629, which requires a district to have at least one person who is authorized and trained to administer the medication present during regular school hours on each campus that serves grades 6 through 12. The district's current language does not limit administration of the opioid antagonist medication to specific grade levels or campuses; therefore, the revisions state that the provision will be applicable to every campus. If the district wishes to implement this policy only for campuses with certain grade levels, contact the district's policy consultant for appropriate adjustments.

FFB(LOCAL): STUDENT WELFARE - CRISIS INTERVENTION

Recommended revisions to this local policy on crisis intervention include the following:

- In accordance with HB 3, provisions have been added at Student Reports to require each campus to establish a clear procedure for students to report concerning behavior by another student.

- Revisions at Employee Confidentiality are based on SB 1720 and allow employees who report a potential threat to elect to keep their identities confidential.

FL(LOCAL): STUDENT RECORDS

HB 1416 repeals provisions related to accelerated learning committees. The references to the accelerated learning committee have been replaced with references to the accelerated education plan that now must be created for certain students who fail to perform satisfactorily on state assessments.
