

Blanket Consent Form for Health Care Services for Minor Children

**Providing blanket consent is optional and
may, instead, be given on a case-by-case
basis.**

[Note: This title must be in bold, 30-point font and the sub-header must be in bold, 24-point font.]

[REQUIRED ITEM: A law or administrative rule requires boards to have a form on at least one of the topics addressed here.]

[NOTE: This form is to be provided to students' parents/guardians at the beginning of each school year.]

Dear parent or guardian,

The purpose of this form and the attached copy of the District's policy on Student Health/Physical Screenings/Examinations is to provide notice of all health services offered or made available through the school by the District or by any private organizations and to provide notice of the District's policy on physical examinations and screening of students and to obtain parent/guardian consent for these services.

The District will provide, under reasonable circumstances, nonemergency first aid services to a child appearing or representing to be sick or injured, such as dressing minor wounds, applying topical agents, providing fluids or ice, and performing checks to identify minor illnesses.

The District may also provide health care services without parent/guardian consent if District staff reasonably determines that a medical emergency exists and:

1. Furnishing the health care service is necessary to prevent death or address a serious bodily harm to the minor child; or

2. District staff can't contact the parent/guardian despite a reasonably diligent effort and the health care service is furnished to prevent loss of life or serious physical illness or injury to the minor child.

The District will provide the following additional health services or examinations which can only be provided with parental permission or in the event of an emergency as described above:

Health Service or Exam		Initial to Indicate Permission to Conduct the Health Service or Exam
Preventative health and wellness services and screenings as described in Policy 3500		
Administering or assisting with the administration of medication as described in Policy 3510		
Emergency care as described in Policy 3540		
Appropriate management of all health conditions with parental consent		
Any health services the District deems appropriate
