Summary:

The **Boerne Education Foundation (BEF) Wow Moment Video** highlights inspiring stories of how the foundation's **Grants-In-Action** have positively impacted Boerne ISD students and teachers. Through dynamic visuals and heartfelt testimonials, the video showcases various innovative programs and resources made possible by BEF's funding, emphasizing the foundation's role in enhancing classroom experiences and promoting educational excellence.

Rationale:

This BEF Wow Moment video will feature FLIR cameras, where students can take part in innovative projects, exploring new ideas and creating solutions to real-world problems. FLIR cameras foster creativity, particularly in project-based learning environments where students are encouraged to think outside the box and develop new ways to use thermal imaging technology.
