## National Black Council Membership

The National Black Council has several membership offerings from which to choose:

### Regular Membership (voting rights)

Regular membership includes any elected or appointed local school board member or state board of education member within the United States and its off-shore territories. Dues for regular members are \$75 annually.

### Associate Membership (non-voting rights)

Associate membership is open to administrators, educators, and citizens-at-large. Dues for associate members are \$50 annually.

### Corporate Membership (non-voting rights)

Corporate membership provides several options for involvement and participation in a variety of National Black Council programs and events. Involvement can consist of sponsorships and/or partnerships that maximize a company's visibility among leaders in public education while providing vital support for the National Black Councils' activities and programs. Dues for corporate members are \$1,000 annually.
