A deficit reduction plan is required if the local board of education adopts (or amends) the 2026-2027 school district budget in which the operating funds listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

**Note:** The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2025-2026 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 22-26) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

| *The subtotal for Per Student Investments is a calculated figure that adjusts salary portions of Central Office and Maintenance & Operations to account for regional salary differences. As a result, the sum of each individual cost factor will not equal the subtotal.<br>**The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY 2026 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                  |               |             |                                                                                                                                                                                                                                                                                                                    |

| <b>Part III: Support for Special Student Groups</b><br>EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statute these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least \$5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than \$5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district. |                                  |               |             |                                                                                                                                                                                                                                                                                                                    |
