SUBJECT:

Adoption/Updates to Policy FNCE (LOCAL)-Personal Communication Devices.

RATIONALE

In accordance with House Bill 1481 passed during the 2025 legislative session, all Texas public school districts are required to review and revise local board policies related to the use of personal communication devices by students. The legislation emphasizes the regulation of such devices during instructional time to support a focused and safe learning environment. These updates align our district policy with the new legal requirements and provide clear guidance on expectations, allowable use, and disciplinary measures for violations.

RECOMMENDATION:

The Huntsville ISD Administration recommends that the HISD Board of Trustees adopt/update Policy FNCE (LOCAL)-Personal Communication Devices.
