

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting May 24, 2021

FOR ACTION

Subject: Approval of Phone System

At the February and March regular meetings, Mr. Leyden included the replacement/upgrade of the existing phone system as part of the summer project list for 2021. A Request for Proposals was sent out to several telecommunications systems contractors in March and Mr. Leyden, Mr. Reiniche and Mr. McCall reviewed the submissions. Telecom Innovations Group (TIG) was judged to be the lowest and most responsive contractor who submitted a proposal. TIG has served the District for the past 9 years

Attached is an updated memorandum from Mr. Reiniche that describes the details. We are willing to answer any questions of the Board of Education.

It is my recommendation to the Board to approve the implementation of a new phone system from TIG not to exceed the amount of \$105,000.

Recommendation: The Board of Education approve Telecom Innovations Group (TIG) to implement a new phone system in an amount not to exceed \$105,000.
