Re: Board Policy Change – EIA (Local)

Beginning with the 2017-2018 school year, the District will move to a nine-week grading period for both elementary and secondary campuses. The following Board Policy change is requested:

EIA (Local) Academic Achievement – Grading/Progress Reports to Parents

Beginning with the 2017-2018 school year, the District shall issue grade reports/report cards every nine weeks on a form approved by the Superintendent or designee. Performance shall be measured in accordance with this policy and the standards established in EIE.

These changes were reviewed by TASB services with a letter of caution.

Recommendation: That the Coppell ISD Board of Trustees approve the update to Board Policy EIA Local as presented at the December 12, 2016 board meeting.
