Boundary Considerations**

February 17, 2025

The WHY: Due to higher-than-expected enrollment at Jane Ruestmann Elementary School and Elementary #5 not opening until the 2027-28 school year, the District Administration has collaborated with Zonda Demographics to develop a zoning boundary adjustment for JRE, set to take effect in the fall of 2025.

Adjustment made to the far west portion of boundary, which includes **Schober Road**. The only 2 families impacted are on Schober Rd (three students).

One school bus/transportation route serves this section and this allows for the school bus to transport to one campus, AWE, instead of two campuses, AWE and JRE.

Board Policy FDB (LOCAL) for incoming 5th graders and a transfer allowance for addresses listed on slide 4 remain in effect.

Other Transfer Requests

The Superintendent shall be authorized to approve a written request from a parent for an intradistrict transfer for one school year only. The District shall grant for a student no more than one transfer per year. Transportation shall be provided by the parent.

Except as required by law and as provided in this policy, the reasons for which an intradistrict transfer may be granted **shall be limited** to the following:

1. The **student was assigned to a new campus as a result of campus attendance zone boundary changes** and will be entering the grade level(s) for that campus in the next school year. For purposes of this transfer, the written request must be **submitted by the annual deadline** set by the administration to be effective for the following year.
 1. **Elementary School (5th Grade)**
 2. Middle School (8th Grade)
 3. High School (11th-12th Grade)

Sibling Transfer

Transfer applications shall be submitted and considered separately for each student seeking transfer, not collectively for a family. The **siblings of a student who is attending under a previously approved transfer may apply for transfer to the same campus**. The District shall give this transfer priority consideration **if the campus and grade level have capacity**.

Transfer Revocation

The Superintendent may revoke a transfer of a student who is **repeatedly tardy or absent** or has **multiple or severe disciplinary infractions** in violation of the campus rules or the Student Code of Conduct.
