

## Monthly Report Dec 2025

The month of Dec was little busy. We had to get gym ready for basketball games, the auditorium ready for Kindergarten Christmas program, band Christmas as concert, and we had a district staff meeting. We had to move Santa chair, stage, bleacher for frontier by bank. We put Christmas lights at central office. We got some days off from the week of Christmas, and 1 day week of new year. And some custodians ask for day. They rent chairs and tables.

Mr. Smiley retired in Dec 2025. We have a plan with all custodians to help at gym until someone could be hired.

Thank you
