August 2018 Board Report

Welcome New School Year and New Staff

Franklin Elementary welcomes the 2018-2019 school year! Our theme is: Together Everyone Achieves More! We have a few new additions to our Franklin family. In our Preschool Program for Children with Disabilities, Courtney Dow will serve as our sole PPCD teacher. Join us in welcoming Jennifer Grote back to our district. Mrs. Grote is returning as a prekindergarten teacher. Ms. Sides is our new Head Start teacher, and Mrs. McCreery will serve as a prekindergarten teacher. It's going to be an incredible year!

Professional Development

Learning is fun for children and adults at Franklin Elementary. Although school was out for the summer, our staff continued to learn and grow by participating in numerous hours of professional development. Our staff attended the Summer Learning Festival, Coaching for Design, Principal's Academy, Texas PTA Conference, Texas School Ready Conference, and Region 12 Transform ED. We are excited about using our new learnings to increase student achievement!

FES Vision Statement

FES nurtures students in a calm, safe, caring environment so that families staff and students positively interact as progress is made toward academic and social emotional success.
