

BOARD REPORT

February 2023

Wylie High School Enrollment

1460

9th - 442

10th - 382

11th - 310

12th - 326

State Swimmer

Wylie High had several swimmers and divers compete at the Region 1 5A Swim and Dive meet. We had athletes swimming in nearly every event as well as make finals. Tessa Fellona earned 3rd place in the 100 yard Backstroke and will compete in the state meet this Friday.

School Record for Cheer

Wylie Cheer competed in the State UIL sideline competition this past weekend. They broke school records by advancing to finals and placing 13th out of 70 squads in the 5A- DII division. Wylie Cheer is coached by Krystal Martin and Alexis Hughes.

Two Students A.I.M.E. High

Ayden Gertiser and Timothy Varghese qualified for the A.I.M.E (American Invitational Mathematics Examination)! This is a highly prestigious, 15-question, 3-hour test given since 1983 to students who rank in the top 5% nationally on the AMC 12 High School Math Exam. Ayden and Timothy are two of roughly 3,000 students nation wide. Both students are and have been members of the Investigative Math team lead by Mrs. Sylvia Martinez and Mrs. Rebecca Patterson. Mrs. Martinez taught these students both in junior high and now in high school.

State Debate

Brendan Hurt and Joshua Corrigan competed at the UIL State Congressional Debate Tournament in January. Brendan earned 10th place! Brendan

Hurt and Alondra Correa will compete in the State CX Debate Tournament later this semester. The debate teams are coached by Justin Holland

Academic UIL

The academic UIL team has been winning meets and earning medals over the past couple of weeks. Saturday Wylie High hosted the Valentine's Classic meet. District UIL is on March 24 and 25.

Flipping Over Gymnastics

The new Wylie Bulldog gymnastics team continues to do well at meets. They have competed in three meets. On January 26th Wylie Gymnastics Team competed against 5 of the 6 schools in our district. Wylie placed third as a team, only a tenth of a point behind second place. Members of the team placed in every individual event and the all-around. Chloe McGary became the first Wylie athlete to win the all-around with a score of 36.3! She had the highest score in the state in high school compulsory gymnastics last week.

Region Solo & Ensemble

WHS Choir students participated in the Region Solo and Ensemble contest on January 28th. 12 students received a rating of 1 (Superior). Congratulations to Jenna Thompson, Jasmine Payne, Lilli Renfro, Isabella Smith, Ryan Ross, Faith Brent, Austin Galle, Jordan Smith, Abrianna Flories, Jett Long, Emily McKinney, and Zech Rambo!

High Kicks & High Praise

The Belles team and officer line earned sweepstakes for a Division 1 score for all six of their routines at competition. They also earned Best in Class team and Best in Class Officer line and received the academic championship award. Bailey Cochran took home 1st runner up for her solo while Morgan Huck & Abbie Bulls also earned a 1st runner up award for their duet.

Cookie Day Every Month

Every month Culinary Arts partners with Functional Academics for Cookie Day! Together they bake hundreds of cookies and sell them to students throughout the morning. Culinary Arts students put their skills to good use and FA students practice counting money, interacting with customers, and baking. Last month students baked and sold over 2,000 cookies.

School of Rock

The PAC was rocking in January as students performed the winter musical, School of Rock. Wylie Theater is now rehearsing and getting ready for One Act Play. The district performance is on March 3, and the home performance will be on March 9.

New at WHS

WHS will be adding new options for courses for the 2023-2024 school year! Upper level Spanish will be offered at the honors and advanced placement level. Health Science students can join Hendrick's Health Care Academy through a

Cisco College partnership. This program will allow students access to different career fields in the health care industry as well as dual credit hours toward earning an LVN. This pathway will also fall in line with the current CNA program Wylie High offers. Students in the education program can continue in the program with capstone class, Practicum in Education in which student will work with in-district teachers to gain work-based learning experiences in the classroom. These are just a few of the exciting additions at WHS next school year.

Unified Bulldogs

Mrs. Baker has gotten Unified Bulldogs off to a great start! They practice basketball on Wednesday afternoons. We're excited to schedule a performance for them on an upcoming date.

Knocked Their Socks Off

Prior to Christmas we challenged our students to bring 500 new pairs of socks in 5 days for the homeless community in Abilene. WHS students knocked our socks off with a total donation of 1,264 pairs of new socks. All socks were donated to Love and Care Ministries and all students were treated with a hot chocolate bar at school.
