Dear Mrs. McCraley

We appreciate the opportunity for Col Donald Belche to visit your school on 25 Sept 09, representing Headquarters Air Force Junior Reserve Officer Training Corps. The purpose of this visit was to evaluate how effectively, efficiently and safely Unit AZ-20063 accomplished its mission as well as determine your school's compliance with Public Law, Department of Defense and Air Force Instructions, and the contract between your school district and the Air Force.

Col Belche conducted the Unit Evaluation with Lt Col Denny Peebles and SMSgt Calistro Martinez. Your AFJROTC unit earned an overall unit assessment score of "**Exceeds Standards**"...the highest rating attainable! Your superb support and the excellent facilities you have provided the unit greatly contribute to its success. The instructors are both extremely talented and dedicated. They create a dynamic and supportive learning environment in and out of the classroom. Cadets display exemplary pride, and their extensive participation in numerous community service projects is very impressive. As a result, Unit AZ-20063 is making a positive impact on Prescott High School, the school district and surrounding community!

Thanks again for your outstanding support in attaining our common goal to "develop citizens of character dedicated to serving their nation and community." If you have questions, my point of contact is Mr. Douglas Davenport at 1-866-235-7682, extension 3-4915, or email at HQ-Inspections@afjrotc.net.

Sincerely

RICHARD L. RAGALLER, Col, USAF
