Re: Waiver for Hybrid Instruction During District Scheduled Testing

At this time, we are asking the school board to approve waivers to allow campuses to provide remote instruction on district-scheduled testing days for in-person learners who are not scheduled to take a test in order to reduce the number of individuals on a campus at any one time and increase the number of remote learners that come on campus to take a test.

**RECOMMENDATION:** Approve the waiver to allow hybrid instruction during district scheduled testing days.
