Type of Board of Trustees Consideration Sought:

Action	<input checked="" type="checkbox"/>
Discussion	<input type="checkbox"/>
Report	<input type="checkbox"/>

Facts of this Matter:

As a part of the ZCHS Ascension Stadium Locker Room Addition and Renovation project, quotes for furniture items were solicited from qualified vendors in accordance with Indiana statute. After evaluating cost and the anticipated delivery and installation time frame, we recommend the purchase of a portion of the furniture as quoted by KI, a vendor well known in the education industry. KI has a proven history for providing quality products and service and holds the CIESC* state contract. In addition, the recommended units come with multi-year warranty protections. The remainder of the furniture is being quoted by three qualified companies, and the lowest quote will be recommended for Board consideration in a future meeting.

Objective POSITIVES related to this item or approach:

This action will provide the furniture needed for the operation of the Ascension Stadium Locker Room building. Acting now will provide the best opportunity to align installation with the completion of construction of that facility.

Objective NEGATIVES related to this item or approach:

None identified.

Financial Implications, if any:

These furnishings were planned and budgeted for within the previously approved ZCHS Ascension Stadium Locker Room Addition and Renovation project. The quote for the KI portion of the overall furniture package is \$109,138.13. This amount, combined with estimates for the remaining items currently being quoted, tracks under the overall furniture budget for this project and will be paid from 2024 bond proceeds.

Opinion/Recommendation:

Approval.

Suggested Wording for a Motion, if any:

I move to authorize the Leadership Team to execute the furniture purchase as presented within the scope of the previously approved ZCHS Ascension Stadium Locker Room Addition and Renovation project.

*CIESC is the Central Indiana Educational Services Center, a membership organization involving more than 34 area school districts, including ZCS. CIESC has long been the foremost competitive price consortium in Indiana, commanding huge savings in school buses, computing equipment, school food service commodities, and more.
